**RESPONSE TO RESTRICTION REQUIREMENT**

This paper is responsive to the Office action mailed from the Patent Office on February 27, 2003. The shortened statutory period for response expires on March 27, 2003.

The Office action indicates that election of one of the following inventions is required: claims 1-8 (Group I), drawn to a stent with a polymer coating, classified in class 623, subclass 1.46; and claims 9-16 (Group II), drawn to a method attaching a stent to a delivery system and an implanting method using a delivery system with the stent, classified in class 606, subclass, 108. Although Applicants disagree with the claim restrictions, to move prosecution forward, Applicants hereby elect the claims of Group I, namely claims 1-8. Applicants reserve the right to pursue the claims of Group II in due course.

Applicants respectfully request that the application now proceed promptly to examination. Applicants believe that no additional fees are necessitated by the present Response. However, in the event that any additional fees are due, the Commissioner is hereby authorized to charge any such fees to Deposit Account No. 20-0531.
